Entering Fall 2017 - BS in IM&T: Program Requirements

To graduate with the Bachelor of Science in Information Management and Technology from the School of Information Studies, you must complete 120 credits including the Core Requirement of 42 - 43 credits with a minimum School of Information Studies GPA of 2.5. You must also achieve an overall Syracuse University GPA of 2.0. It is your responsibility to know and understand your degree requirements. Note: You may not use a course to fulfill more than one requirement.

Information Management and Technology Primary Core (27-28 Credits):

<table>

You may not take MAT 121 if you have taken any Math course numbered 194 or above.

Math: You may fulfill this requirement by receiving a grade of "C" or above in: MAT 284, 285, 286, 295, or 296. MAT 111, 112, 113 do not meet this requirement, but count as general electives.

Language: If you choose to fulfill the skills requirement with a language, the policy is as follows: Complete 8 language credits numbered 102 and 201 or above. If more than 8 credits are needed to reach this course level, the extra credits may be counted as contributing to the humanities divisional requirements.

General Electives: All remaining credits needed to complete a minimum of 120 credits. **A maximum of 3 credits of PED credit may count towards your degree. Additional ones may be taken but not counted in your degree.
BS in Information Management and Technology Curriculum

Students earn the Bachelor of Science in Information Management and Technology by completing 120 credit hours. These credit hours are distributed among the information management and technology major (39-40 credits), arts and sciences electives (36 credits), skills electives (21-23 credits), and general electives (21-24 credits). All courses listed below are offered for 3 credits unless otherwise specified.

I. Information Management and Technology Major: 39-40 credits

A. Primary Core: 27-28 credits

The primary core consists of the following courses:
- IST 101 First Year Forum (1 credit)
- IST 195 Information Technologies

B. Information Management and Technology Electives: 15 cr.

Other Courses: During the sophomore, junior, and senior years, students may complete 2 concentrations from the following list:

Information Security Management: Required
- IST 323 Introduction to Information Security
- Electives (choose at least two)
- IST 336 Leading Issues in Information Security
- IST 425 Risk Management
- IST 452 Advanced Computer Networking
- IST 476 Applied Information Security

Project Management: Required
- IST 442 Agile Project Management Methods
- Elective (choose at least two)
- IST 425 Risk Management
- IST 447 Complex Issues in IT Project Management
- IST 455 Enterprise IT Consultation

Network and Systems Management: Required
- IST 452 Advanced Networking
- Electives (choose at least two)
- GET 239 Enterprise Technologies
- GET 434 Global Computing Challenges
- IST 453 Telecommunications Regulations
- IST 556 Mobile Network Services

Web Design and Management: Required
- IST 263 Intro. to Front End Web Development
- Electives (choose at least two)
- IST 322 Digital Strategy & Analytics for Web Dev.
- IST 363 Advanced Front End Web Design
- IST 449 Human Computer Interaction
- IST 475 Full Stack Web Development
- IST 486 Social Media in the Enterprise
- IST 487 Modern Web Infrastructure
- IST 523 Graphic Design for the Web

Database Management: Required
- IST 469 Advanced Database Management Systems
- Electives (choose at least two)
- IST 400 Selected Topics Database Security
- GET 434 Global Computing Challenges
- IST 475 Full-Stack Web Development
- IST 487 Modern Web Infrastructure

II. Arts and Sciences Divisional Requirements

If you take more than 36 credits in the Arts and Sciences, the extra credits will be applied to fulfill general elective requirements. Courses that can be applied to meet Arts and Sciences divisional requirements are listed in the following sections.

Social Sciences Courses

- *Most courses listed or cross-listed as AAS, ANT, ECN, GEO, HST, IRP, MAX, PAF, PSC, PSY, SOC, and SOS
- CIS 303, 422, 427; QXS 111; HNR 260, 360, 460
- LAS 313, 318, 321, 322, 323, 324, 329, 333, 358, 371, 372
- MES 318, 319, 344, 345, 349, 366, 367, 368, 382, 468
- NAT 105, 323, 372, 441, 444, 445, 447, 456, 459, and 461
- SAS 324, 328, 329, 375
- WGS 310, 326, 328, 362, 400, 410, 414, 444, 490 and ALL WGS cross-listed with ANT, ECN, GEO, HST, PSC, PSY and SOC
- LPP255, SWK 326, 328, CFE/HST221, EST 390
- COG courses may be accepted by petition only.

*There are some exceptions. See below to see which classes in these categories count as either Natural Science or Humanities:

Humanities Courses

- Courses listed or cross-listed as ETS, HOA, HUM, JSP, LIN, LIT, PHI, and REL.
- Any foreign language course.
- ANT185, 202, 273, 326, 376
- HST111, 112, 210, 211, 212, 310, 311, 312, 320, 321, 354, 355, 357, 358
- LAS 302, 326, 402, 425, 433, 461, 463, 465, 467, 471, 475, 479, 481, 489, 493, 495, 497
- MES 165, 336, 465
- NAT 142, 208, 244, 273, 346, 347, 348
- NAT 123, 165, 185, 186, 283, 367, 384, 465
- WGS 101, 297, 301, 303, 310, 326, 384, 400, 403, 410, 465, 490 -OR cross listed with ETS, HOA, HOM, PHI, & REL
- WRT 114, 255, 422, 423, 424, 428
- All ENGL courses except English as a second language courses (ENL 203, 207, 211, and 213).
- CSD 316, CLL 390, 490, QXS 112, HNR 240, 340, 440

Natural Sciences & Mathematics Courses

- Courses listed or cross-listed as AST, BIO, CHE, PHY, EAR, and SCI
- Mathematics courses above and including MAT 121
- ANT131, 431, 432, and 433
- CSD 212, 315, 325, 345, 409
- GEO155, 215, 316, 317, 326, 482, 555, 583
- NSD 225
- PSY 223, 323, 324, 334
- HNR 250, 255, 350, 355, 450, and 455
- Credit given CHE 106-116 or 109-119 but not both.
- EAR 101 or 105 or 203- credit given for ONE class only.
